## Storm-proof

withstand high winds,  
cyclones even  
hurricanes

## Aesthetics

the beauty throughout  
the entire product  
lifespan

## Accessories

everything needed  
for a start-to-finish  
roof installation

# iPanel

Modern Hi-Tech style

**iPanel's low profile with straight lines reimagines the traditional styling of split shingle roof tiles.**

Made from corrosion-resistant steel and coated in stone, the iPanel roof tile is an all-elements-resistant roof solution. A special hidden fix design gives ideal protection to the fasteners, making iPanel just as at home as vertical cladding as a pitched roof.

Size - overall (mm)

**1330 x 430**

Tiles per m<sup>2</sup>

**2,17 pcs**

Weight per panel

**2,90 kg**

Size - cover (mm)

**1230 x 375**

Roof cover

**0,46 m<sup>2</sup>**

## Easy installation

handling and cutting are easy, perfect for reroofing

Pitch  
**10°-90°**

## Stone Chip

Superb aesthetic with 100% chip coverage

## Overglaze

"Water wet" gloss and resistance to physical damage

## Basecoat
