# Slate.9

Incredible value and superior performance to traditional slate roof

**Slate.9 tile profile offers the same great aesthetics as traditional slate roof tiles while offering superior benefits.**

The deep lines pressed into each ZAM-coated steel profile result in increased shadow definition, resulting in a tile that looks virtually indistinguishable from traditional slate, while simultaneously offering unmatched vandal and weather resistance. Available in .900mm thickness for unsurpassed security Slate.9 makes a perfect choice for a wide variety of roofing projects.
