roof installation

iPanel

Modern Hi-Tech style

IPanel's low profile with straight lines reimagines the traditional styling of split shingle roof tiles.

Made from corrosion-resistant steel and coated in stone, the IPanel roof tile is an all-elements-resistant roof solution. A special hidden fix design gives ideal protection to the fasteners, making IPanel just as at home as vertical cladding as a pitched roof.

Size - overall (mm)
1330 x 430

Tiles per m²
2,17 pcs

Weight per panel
3,29 kg

Size - cover (mm)
1230 x 375

Roof cover
0,46 m²

Easy installation

handling and cutting
are easy, perfect
for reroofing
