Charcoal

Storm-proof

withstand high winds, cyclones even hurricanes

Aesthetics

the beauty throughout the entire product lifespan

Accessories

everything needed for a start-to-finish roof installation

iPanel Prestige

Modern Hi-Tech style

iPanel's low profile with straight lines reimagines the traditional styling of split shingle roof tiles.

Made from corrosion-resistant steel and backed by a 30-year weatherproof warranty, the iPanel roof tile is an all-elements-resistant roof solution. A special hidden fix design gives ideal protection to the fasteners, making iPanel just as at home as vertical cladding as a pitched roof.

Size - overall (mm)
1330 x 430

Size - cover (mm)
1230 x 375

Tiles per m²
2,17 pcs

Roof cover
0,46 m²

Weight per panel
2,11 kg

Easy installation

handling and cutting are easy, perfect for reroofing

Pitch
10°-90°

Powder coating

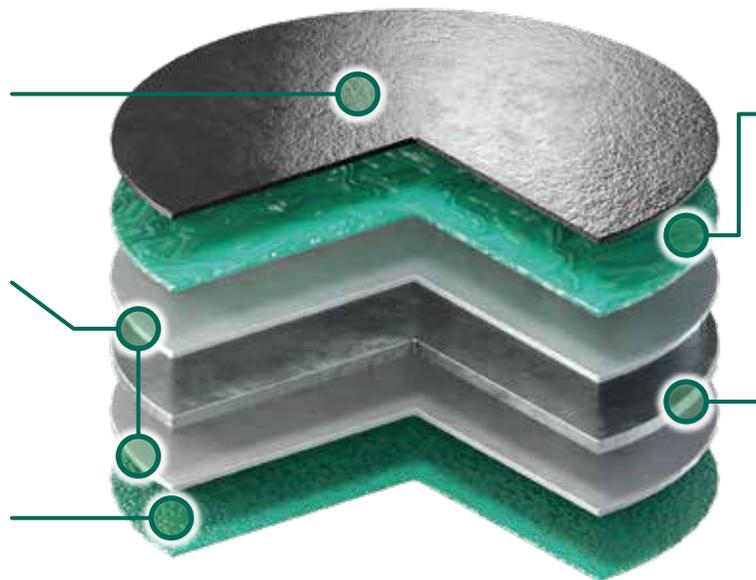

Super durable scratch and UV resistant 80-micron coating
